**Bayshore Regional Sewerage Authority
Notice of Work on Clark Street
Township of Hazlet & Borough of Keyport**

Dear Resident:

The Bayshore Regional Sewerage Authority (BRSA) will be performing essential repair work on our pipeline adjacent to Clark Street in the Township of Hazlet. The work is scheduled to begin on Monday, August 23, 2021 at 7:00 A.M. and proceed continuously, 24 hours a day and is expected to take up to a week to complete. During construction, a detour will be in place and the eastbound lane of Clark Street, towards the Garden State Parkway northbound entrance, will be closed. The westbound lane of Clark Street, toward Lloyd Road, will remain open. Local police departments will be on-site during the work to assist in directing traffic.

Our Engineer, R3M Engineering, will have an inspector present throughout the work and a representative from BRSA will also be on-site. The Contractor for this project is CRS Contractors of Colts Neck, NJ.

Additional information can be found on our website www.bayshorersa.com or at the Township of Hazlet, Aberdeen, and the Borough of Keyport websites. Should you have any questions or concerns, please feel free to contact me at the above number.

Sincerely,

Thomas M. Petti, P.E.
Principal Engineer
